The Scarf

(Knitted Double).

Using the main shade of wool and the No. 7 needles, begin by casting on 88 sts. as follows :

Make a loop and place it on the left hand needle, knit into the loop in the ordinary way, do not slip the st. from the needle but place the second loop thus made on to the left hand needle, making 2 sts. on the needle. * Place the right hand needle through the space between the 2 sts. on the left hand needle, throw the wool over and draw the loop through ; place it on the left hand needle making 3 sts. on the needle. Repeat from * until there are 88 sts. on the needle.

1st row. * K 1, wool forward, S 1 purlwise, wool back. Rep. from * to end of row. (Note the last st. will be a slipped st.).

Rep. this row until you have a depth of $3\frac{1}{2}$ inches from the cast-on edge, keeping the sts. at the beginning of row fairly tight. Break off the main shade of wool.

** Join in the contrasting shade and work 4 rows (*i.e.*, 2 rows on each side of scarf). Break off the contrasting shade and continue to work in stripes as follows :

Using the crochet hook, work along each end of the scarf in double crochet as follows : With the contrasting shade join the wool to the first st. with a double crochet, then work 1 d.c. into each knit st. along the row, (44 d.c.), 1 chain, turn and work 1 d.c. into each d.c. of previous row, working through the two loops of each st. Break off the contrasting shade and work in the main shade for 2 rows, then a further 2 rows in the contrasting shade.
